

## **Bed Schedule - Guests, Rooms & Beds**

The accommodation at Trevenna is spread between 6 Barns and the Farm House.

Please use this schedule when planning which rooms you would like your guests to sleep in. This schedule indicates whether bedrooms have a private bathroom and/or are on the first floors.

This schedule must be returned to Trevenna within 2 weeks of the date of your arrival.

### **Notes & Tips on Allocating Rooms to Guests**

The Bed Schedule sets out the location of double & single beds and indicates where cots may be used if required. Please do not allocate guests into beds that are not actually shown in this schedule.

We have 3 travel cots for guests to use however, parents are required to bring cot bedding. Please only allocate 3 cots across the whole site. Parents would need to bring additional cots, if more than 3 cots are required during your stay.

Parents traveling with babies are better suited to the Barns as they have kitchen facilities ideal for preparing and feeding babies.
